September is one of those transitional months. We are on the cusp of autumn, yet we are reluctant to let go of summer. It is super exciting to think about what lies ahead and simultaneously soak up every ray of summer sunshine that comes our way.

One trick to extend the good vibes of summer is to keep active. Join the local Ramblers group (p5), or walk for a good cause like the Sue Ryder Starlight Hike (p15), or how about taking up table tennis (p4), an activity that is accessible for all ages and abilities.

Please continue to support the local businesses and organisations represented in the Aire Valley Mag...I know they appreciate your custom and participation in local life; it is what makes our community so special. Liz

**It's officially Christmas!**

It really isn't, but we've bowed to the pressure to release tickets for this year's festive steam specials, and the booking website is now open. After the last few weeks saw us having to restrict steam-hauled trains due to the intense heat and lack of rain that combined to create such a fire risk, thinking about wintry, snowy scenes is very welcome. We have had two Christmas seasons operating under restrictions, making it even more remarkable that we can welcome Santa back on board the train this year. Having learned from the success of the last couple of Christmas seasons, we are very excited to announce that Santa will be travelling with us on to the "Elf Explorer" services for the first time. Tickets for the trains – which run weekends from 26th November to Christmas Eve, and 22nd/23rd December, are now available from the Railway's website. Previous experience suggests they will sell out quickly, so please book early to avoid disappointment. It takes months and months of planning, so it's very satisfying and motivating for the hundreds of volunteers to see the happy passengers.

If it's a bit too much to talk about Christmas already, how about beer and music? As we move out of the period of 7-day per week running, we turn the Railway over to our civil maintenance team, who will spend at least a full week working whilst the Railway isn't running on planned infrastructure projects, whether track replacement, re-ballasting or a whole range of other activities that keep the 150+-year-old Railway operational. We run passenger trains on Wednesday and weekends during the post-summer period, whilst we prepare for what I promised earlier... the very popular Beer & Music Festival, which runs from Thursday 13th to Sunday 16th October. We are selling advance tickets, including those that offer a local residents' discount, and with the event at capacity last year, we recommend you purchase tickets in advance in case we have to turn people away on the day. Successful events such as the Christmas specials and the Beer & Music weekend make volunteering so worthwhile, as those of us in the 700+ strong group give our time so freely – and plentifully! – to keep the increasingly-elderly wheels turning.

## Association of Ukrainians in Great Britain – Keighley Branch Supporting new arrivals in the District

There has been an active Ukrainian community in Keighley since the late 1940's. Many Ukrainians came to the UK as

Sadly, in February this year hostilities widened in Ukraine and the whole of the country was again under threat. Thankfully, the Ukrainian Centre in Keighley opened its doors for refugees and hosts. **Every Thursday between 11am and 1pm it holds 'get to know each other' sessions for the Ukrainians who have fled their homeland.** The community is thriving once more, helping those in the same situation as those who arrived in the late 1940s. The centre is run by members of the existing Ukrainian speaking community, volunteers

Displaced persons, leaving their homeland with nothing but the clothes on their backs, arriving at the local Displaced Persons camp in Silsden.

After leaving the camps Ukrainians built their lives in the district amongst diverse communities. Interacting with other

cultures and amongst themselves, the Ukrainian community came together and became part of the Association of Ukrainians in Great Britain in 1948. Initially renting premises in Fleece Street, Keighley, which was their social centre, the community grew and when they needed a bigger premises they purchased Mayfield House in Keighley. People from all communities would attend concerts, dances, weddings and other events

at the centre. The Keighley Ukrainian community had a choir, a dance group and a Ukrainian School for its young people. Over the years the community got smaller, and moved to a smaller premises in Henry Street, Keighley town centre.

from far and wide, and is attended by outside agencies who offer support and advice. The community is helping our guests to settle and integrate into the wider community. Over a cuppa and a butty, everyone who attends is made to feel welcome. Links have been forged with organisations such as the Salvation Army, Living Lights (and others), the Community Champions from Asda and Morrisons - who have all donated food, clothing, toys and toiletries. Residents from

across the district have also donated various items, all of which the Ukrainian refugees are extremely grateful to receive. If you'd like to donate to the work, volunteer, or befriend a refugee please contact:

YORKSHIRE  
LOFT LADDERS

## Yorkshire Loft Ladders, Quality You Can Trust

These days most homeowners suffer from a lack of storage space. So many precious items that need to be kept - but where to store it all? That's where Yorkshire Loft Ladders come in. The company, based locally, offers homeowners the opportunity to maximise their storage space with a loft ladder, 50 sq ft of boarding and a light all fully fitted in less than a day from just £277 + VAT. But it's not just the affordability of the package the company offers that makes Yorkshire Loft Ladders stand out as manager Mark Hodson explains: 'Our watchwords are Quality, Integrity and Value. Quality in the materials that we use for all our installations and the fact that all our loft packages are fitted by time served tradesman so our customers are assured of the best job. Integrity in that we will turn up at the time we say and make sure the house is spotless when we leave, and Value in that we offer our services at a price people can afford. Our business relies on referrals and we get a huge

amount of our calls from people who have been referred to us by our existing customers - that simply wouldn't happen if we didn't adhere to our overniding principles.

At the end of the day the old adage that happy customers lead to more happy customers is true and we work hard to make that happen for every installation we carry out!

So, if you want to make use of your loft space, however big or small, call Warren on 0800 612 8359 and he'll be happy to pop round and give you a no obligation quote so you too can make use of your loft.
