As I go to press the sun is shining and the bunting is still waving on Haworth Main Street following another successful 1940's weekend. I understand it was a record breaking year. You can read the round up written by the committee's deputy chairman, Peter Hill, on page 20. The hard work and commitment from the volunteers is exemplary; without them there would be no 1940's weekend. If you would like to see the continuation of this charitable event please get involved in next years weekend.

This month Haworth Festival takes shape with a most unusual line up of happenings ranging from ukelele jam sessions to zombie chases. Pull out the programme and follow the fun. Remember to go to the website for all the latest information as many more details will be finalised in the next week or so, including the art trail: www.haworthfestival.org.uk

Don't miss Oakworth's Picnic in the Park and the unveiling of the new play area; see page 6 for details!

Have a great June. Liz

Its great news! £60,000 from Wren landfill tax community fund has been secured towards new play equipment for the children's play area in Holden Park in Oakworth.

A local mum has worked with the friends of Holden park and Bradford Council Parks Service to secure funding so that the old and uninspiring play equipment can be replaced. Support from local ward councillors and Keighley town council, who have provided £6,000 towards the project, will ensure that local children have a new exciting and safe play area.

The project is still short of £9,000 funding to be able to provide all that was in the proposed design which was shown

to local children so, Jo Spencer, is still continuing with her fundraising efforts by contacting local businesses for their help. At the time of going to press Rotherwood Recruitment had very kindly pledged £500 towards the project and Hayfield Robinson £250.

It is hoped that more pledges will come forward so that the scheme does not have to be reduced. If you are able to help please contact Jo Spencer holdenparkplay@btinternet.com

The official open day will be held on Sunday 30th June 2-4pm. "Picnic in the Park" including raffle, bouncy castle, ice cream and coffee/burger van, live music.

SOLICITORS WITH A PASSION FOR EVERYTHING LOCAL!

'Why use a call centre when there are local Solicitors who will see you at home?' is the question raised by local Solicitor Francis O'Neill when we asked him this week about the benefits of going local for legal advice. 'In most cases the accident will have happened nearby and local knowledge can be vital in ensuring the case succeeds. And anyway, I don't know anyone who enjoys ringing a call centre- if I'd been injured I know I wouldn't!

O'Neill Injury Solicitors are the only specialist Personal Injury Solicitors in the Keighley and Skipton area. Francis, the Principal of the Firm, has over 20 years experience in this type of work, has lived in the area for all that time and knows it

well. 'I would like to think that if anybody has an accident locally they would make O'Neill Injury Solicitors their first point of contact.

We are proud of the local service we offer and passionately believe that even in the internet age Personal Injury Claims need a personal service.

O'Neill Injury Solicitors can be contacted on 01535 958778 and out of office hours on 07821809843 as required.

Every year hundreds of people come to Oxenhope to take part in the Straw Race. Teams of two make their way around the village, quenching their thirst with a pint in each of the five pubs along the route whilst carrying a straw bale!

On race day the village has a true party atmosphere with hundreds of spectators turning out, come rain or shine, to watch the 250 teams, mostly in fancy dress, complete the course. Teams can spend anywhere from 30 minutes to 4 hours plus completing the course although there are some 'serious' athletes who run the 2.6 mile course. The record finish time of 14 minutes is held by Will Smith and Ian Holmes.

The main purpose of the race is to raise much needed funds for local charities. Our main beneficiary is Manorlands in Oxenhope

but we also support many other charities including Haworth Riding for the Disabled; Oxenhope Preschool; the British Heart Foundation and the Parkinson's Disease Society to name but a few. Over the past 30 years we have donated over £350,000.

The race is organised every year by a small group of local people who rely on the generosity of the local pubs, the Social Club and several local businesses, most notably McDowell Transport, Wydean Weaving and Hodgson's Transport to make the day a success. On the day itself other local organisations, including scout groups, the police, St John's Ambulance and the Keighley Scout Service Team, join forces with us to pull pints, staff checkpoints, marshal the route and direct traffic and spectators to ensure the day runs smoothly whatever the weather.

We are always grateful for any help and support we receive. In fact the more the merrier so if you would be interested in getting involved then please contact the secretary, Jane Barrett at janembarrett69@gmail.com, on 01535 644796 or via [@StrawRaceFun](https://twitter.com/StrawRaceFun).

If you think you're up to the challenge of taking part in the race and raising sponsorship for our nominated charities then you can enter online at www.strawrace.com/join-the-fun.

Whether you enter, volunteer to help or just come along and enjoy a great day out, we can't wait to see you on Sunday 7th July 2013.

“STAYING ALIVE” IN OXENHOPE

The Worth Valley is now a safer place to live, thanks to a project funded by Oxenhope Straw Race. Members of Oxenhope Youth Club enjoyed a night of First Aid Training in May, and learned about vital life-saving techniques including resuscitation, how to deal with asthma attacks, severe allergic reactions, choking and traumatic injuries. Comments received from the young people taking part included “I feel like I could do this in real life now” and “a brilliant start to general first aid... a lot more confident now”.

Oxenhope Youth Club has been providing a weekly session for young people in and around Oxenhope for about a year, and has recently reduced its age limit. We are now open to all secondary school-aged young people from year 7 onwards.

The free sessions run every Friday, 7-9pm, at Oxenhope Community Centre.

We are extremely grateful to Oxenhope Straw Race for their donation to our club which allowed us to provide this training to our members. This year's Straw Race promises to be bigger than ever, and raises money for some fantastic, local causes. As well as entrants for the race itself, the Straw Race committee are currently looking for volunteers to help on the day as marshalls or litter pickers. Please do get involved if you can.

Oh, What a Lovely War!

On the 18th & 19th of May, Haworth once again turned the clock back to the 1940's. Record crowds turned out dressed in Grandma's Sunday best with many hundreds of people in war time uniforms to enjoy two days celebrating the 70th anniversary of the iconic Dambusters raids. The organisers had worked long and hard to turn the Parsonage car park into RAF Haworth, complete with a full size replica Spitfire and the magnificent 36.7 litre Griffon aero engine that made the ground shake each time it started up. A superb Dambusters exhibition, complete with a bouncing bomb, stalls and the ENSA troupe went with a swing. Meanwhile, in Central Park there were period vehicles, music, from the ENSA Troupe, dancing, more stalls plus the veterans beer tent. Main Street had a further display of period vehicles and was used for parades and marching bands. Naturally all our usual traders were there to provide shopping opportunities, food and drink.

Saturday started wet, but despite chilly winds, visitors kept coming and by lunchtime the venues filled with happy people. On Sunday, the skies cleared and record crowds turned up to see the show and enjoy the fly past by the lone Hurricane that made three exciting passes over the village. These vintage aeroplanes are now rare and increasingly difficult to maintain in an airworthy condition, so it was

a real pleasure to be "buzzed" for the first time in recent years.

This year, SSAFA (the Soldiers, Sailors & Airmen's Families Association) was the chosen charity which has a branch in Keighley that does excellent work with our serving and retired forces personnel and their families. To commemorate the Dambusters raid, the organisers commissioned 70 limited edition

prints of Lancaster T for Tommy dropping its bouncing bomb on the Sorpe dam. Happily we still have a surviving British crew member, 91 year old bomb aimer George "Johnny Johnson" who had signed each of the 70 numbered prints. These were on

sale for £100 each and most sold over the weekend. There are just a few left offered on a first come first served basis.

The organisers would like to thank all the members of the various committees and event marshals who made the weekend go safely and with a swing and also all the advertisers and also the traders who have so kindly donated a percentage of their weekend profits to SSAFA.

The organising committee - after two years in post are stepping down this year and so would welcome a new team to come together to take this event into the future - if that's you, contact Nikki on 01535 643800.

Summer Learning Loss

Don't Let your Child Fall Behind

Did you know that the school year is based on the

agricultural cycle? Students traditionally had long summer holidays over harvest time when they were expected to help out in the fields. Today that's not the case but long summer holidays are still the norm and what parents might not know, is that children experience "summer learning loss".

Overall, kids lose an average of 1 month of learning in all subjects during the summer and studies show that kids can lose the equivalent of 2½ months of maths skills in the summertime. Imagine if athletes stopped training for 2 months in the year. You would expect, they would experience a lag in performance. The brain is no different. It needs to be exercised.

Teachers spend up to 6 weeks of the new term on last years' material. "Pupils are falling behind in class because they do not practise reading, writing and arithmetic during the six-week break." Institute for Public Policy Research.

What you should do now?

Before this school year ends, check with your child's teachers to get an idea of where they

might need support during the holidays. The summer months are an excellent time for your child to fill in learning gaps.

Tutor Doctor's top tips for stealth learning

- Learn from your holiday. The summer holiday is a great opportunity for stealth learning. Get the kids researching your holiday destination, check maps and handle currency. Learning geography and maths without even realising it!
- Encourage them to keep a journal of their activities, and e-mail friends and relatives about what they are doing.

4 easy steps to summer gain

- Use educational workbooks, about an hour a day is plenty.
- Visit a library. Look out for special events
- Visit museums, zoos and historical sites Help your child learn about history and the world they live in.
- Enrol in a summer tutoring programme. One-to-one tutoring is ideal for filling the gaps in your child's learning.

Do remember that summer is also for relaxing, taking time off, and just being a child. Balance fun with learning, and these activities will help your children and prepare them to start the new school year on top form and brimming with confidence. Alan Bentley is owner of the local Tutor Doctor office.
