As the longest day of the year approaches and the end of the term is in sight, we are reminded of the rhythms and cycles that give shape to our lives and the communities to which we belong. June signals the beginning of the festival season...We feature the Haworth Festival line up on pages 16&17. Pull out the centre spread and use it as your guide this month; double check the website to learn more www.haworthfestival.org.uk.

Here at the Worth Valley Mag we are looking at what we do in the community and how we connect with local people and businesses. We are hosting informal feedback sessions over the next few months (with tea & cake served) to gain a better understanding of what our readers like and dislike in our publications. This will help us change and incorporate new ideas. If you are interested in taking part please contact us on 01535 642227, or mail@worthvalleymag.co.uk. Have a lovely June!

Haworth turns back the clock...70 years!

After a year in the planning, it was delightful to see the sun shining on us throughout the three days for the Haworth 1940s weekend. In excess of 40,000 people descended upon our wonderful village from all over the globe. This year was a very special event as we celebrated our 20th anniversary, SSAFA's (Soldier, Sailor, Airman and Families Association) 130th anniversary and the 70th anniversary of VE Day; hence our theme, 'Victory.'

It was joyous to see so many visitors and local people joining in and contributing to the event's continued success.

I am always overwhelmed by the effort that people put into their outfits, the goodwill from those who volunteer their time and the community spirit that abounds.

Our thanks go to all those who were involved in the weekend or supported it in any way. We are very grateful for the donations received for the Haworth 1940s weekend chosen charity, SSAFA. Monies are still coming in and to date we can confidently announce that this year's event has raised over £21,000 in support of our Forces and their families in time of need. Special thanks go to our main sponsors The Green Deal Factory Ltd.

Event Organiser - Nikki Carroll

Save the date -

Next year the Haworth 1940s weekend will be held May 13th - 15th 2016

P.S. You can still purchase the Haworth Picture Post magazine or the specially commissioned limited edition print signed by Dame Vera Lynn; proceeds go to SSAFA. Contact Nikki for more details: 01535 643800

HAWORTH & OXENHOPE DISTRICT *Bridleways Group*

Find us on
Facebook

Haworth & Oxenhope District Bridleways Group was founded with the main aim of working towards protecting and improving our bridleways network and negotiating new off road riding opportunities for the benefit of our members and others alike.

We also run many fun events throughout the year, such as organised rides around the local areas, fun and annual shows, treasure hunts, dressage competitions, jumping demonstrations and pub rides!

Our organised rides run at various dates throughout the year. These rides are a great way to see the beautiful scenery in our area and maybe discover some new rides. Most rides take place mainly off road and sometimes have gates to go through, but all are on bridle paths and have a lead rider showing you the way. Maps are provided so if you wanted to do the ride in your own group this is fine too. Have a look at the website for more details of upcoming rides, where to meet the length of the rides.

HODBG hold a social meeting every month at the Old White Lion Hotel in Haworth.

Juniors meet at 6.45pm followed by the main meeting at 8pm and are open to members and non-members. The meetings are a great way to

socialise and meet like-minded people, and we have a guest speaker at the meetings.

The next meeting is on Tuesday 18th June and the guest speaker is Haworth Riding for the disabled. There will also be an equestrian table top sale at this meeting, if you would like a table to sell some horsey things it is free for members, or £5 per table for non members.

All the meeting dates and details are on the website. In October we have the extra special guest speaker; ex international show jumper Geoff Billington. This is a ticketed event, £6 members and £12 non members. Tickets available to buy at our meetings or from Linton Greenwood Insurance Brokers in Crossroads call in and ask for Pat.

There is a fun, in hand show in July and our annual show takes place on August 30th. For information and schedule please see the website or call Gemma Jackson on 07940 246719.

Keighley & Worth Valley Railway

www.kwvr.co.uk T: 01535 645214

June sees the start of our period of operation for seven days per week, so we know that summer has definitely arrived (whatever the weather!).

Over the years we have tried to adapt out operation to suit passengers' requirements, so we have changed the summer weekday timetable to mean that the first steam train will now leave Oxenhope at 10am and Keighley at 10.40am.

Whilst the timetable change results in our last trains of the day also being earlier (leaving Oxenhope at 3pm and Keighley at 3.45pm), it means that we can now offer a steam service before lunchtime from Keighley. It also means a very, very early start to light the engines, with at least one volunteer having to be on duty from well before 5am...

This early morning start is just one example of how we are striving to keep The Railway Children's Railway up to date and relevant, bringing the history of the steam railway to life for a new generation of passengers. This is especially relevant as we near 2018, which will mark our 50th year since the branch line reopened for services in June 1968.

With each year that passes, we are further from the era when passengers and volunteers are able to remember first-hand the era of steam travel on the main line, so to continue to attract visitors and to respond to today's passenger demands requires us to keep developing and improving the Railway's passenger facilities. Plans are well-advanced for a new café at Oxenhope, to refurbish the water tower and washroom facilities at Keighley, and we have ambitious plans for our engineering facilities at Haworth. All this is going on whilst our volunteers continue to restore 50+ year old steam locomotives and maintain a fleet of historic carriages to keep the core service operating.

What these plans mean is that whilst we continue to welcome volunteers to operational and commercial roles, such as those that wish to train as footplate crew or to help staff the shops, we urgently need more volunteers to help us manage and help coordinate the numerous initiatives that we need to progress. Please do get in touch if you have relevant skills and experience and would be willing to help us prepare the Railway for its next 50 years of operation.

Blood building juice recipe

"Let food be thy medicine, thy medicine shall be thy food."

Hippocrates

This is a favourite juice recipe that is both sweet and spicy, especially if fresh turmeric is included in the blend.

With beetroot as the main ingredient this drink has a very strengthening quality, particularly on the blood, helping to both build and cleanse it. Beetroot gently warms the body. It is also particularly beneficial for the liver and kidneys. Carrots, apples and celery increase nutritional value and give the juice a further gentle cleansing action. Ginger and turmeric (optional) more strongly warm and invigorate and give a further strengthening quality being particularly supportive for the digestive system, intestines and immune system. You will need a juicer to extract all the goodness from the fruit and vegetables. Buy the best quality equipment you can afford as it is an investment in your health and wellbeing. Follow the manufacturer's instructions for use and juice the following ingredients:

Beetroot 2-3 medium / large
3-4 medium apples
2 large carrots, 2 sticks of celery
1/2 thumb sized piece of root ginger

Optional ingredients:
small piece of turmeric root. I use about 1/2 my little

finger sized piece. (Fresh turmeric root is available from Shans Supermarket in Keighley)
3-4 handfuls of spinach or kale

This recipe is attributed to Dr Kate James MBBS integrative medical practice, www.drkatejames.com

CONTACT the elderly

Contact the Elderly, a charity which aims to combat loneliness and isolation felt by people over 75, is appealing for more volunteers in Haworth and Worth Valley. Sunday tea parties are organised once a month for older guests living alone who need a helping hand to get out and socialise. Volunteer drivers pick up older guests from their home and escort them safely to the home of a volunteer host. The host provides tea, cake and, of course, lots of friendly conversation. The groups are small, around six to eight older guests, so people can make friends locally. The tea parties are a real lifeline for older people who suffer from loneliness and often cannot leave home unaided. Drivers volunteer once a month and hosts volunteer once or twice a year. For more information visit contact-the-elderly.org.uk or contact Yorkshire Officer Kath Lloyd on 01535 280 002 or email kath.lloyd@contact-the-elderly.org.uk

Scouting - Join in the Adventure

Scouting is the UK's biggest mixed youth organisation. It changes lives by offering 6 to 25-year-olds fun and challenging activities, unique experiences, everyday adventure and the chance to help others making a positive impact in communities. Scouting is totally inclusive irrespective of ability, gender, race, religious beliefs or social background.

Scouting helps children and young adults the opportunity to realise their full potential. Scouting helps develop skills including teamwork, time management, leadership, initiative, planning, communication, self-motivation, cultural awareness and commitment.

Scouts take part in activities as diverse as

Wayne Bulpitt - UK Chief Commissioner meeting new members

kayaking, abseiling, expeditions overseas, photography, climbing and water zorbing. As a Scout you can learn survival skills, first aid, computer programming, or even how to fly a glider. There's something for every young person. It's a great way to have fun, make friends, get outdoors, express their creativity and experience the wider world. This everyday adventure is possible thanks

to our adult volunteers who support Scouts in a wide range of roles from working directly with young people, to helping manage a Group, to being a charity Trustee. We help

volunteers get the most out of their experiences at Scouts by providing opportunities for adventure, training and friendship. Having fun is not just the sole preserve of young people! It just doesn't stop here, 'Scouting's Vision for 2018' wants to see Scouting to make

a positive impact in our community where young people embrace and contribute towards social change.

In the Keighley area, Scouts have already gone a long way to achieving this vision of the future.

The number of young people joining Scouts continues to grow. More girls are joining Scouting with girls demonstrating they are more than capable of holding their own with their male counterparts particularly when it come to the more adventurous activities!

Three new Scouts groups have been recently formed. One group based at Phoenix Special School was the first in the area catering for young people with specialist needs. Another is based at the Madinah Mosque.

Scouts in Keighley help support a large number of organisations and charities in the area whether this be helping the Keighley Lions with their 'Santa Appeal' each Christmas, or raising money for the Candle-lighters and the Air Ambulance,

Interested in joining, contact me direct on ddc@keighleyscouts.org.uk

Here's what our advertisers say...

Advertising in the Worth and Aire Valley magazines has been critical to the success of my business. The magazines are highly rated by my customers and I have lost count of the number of people who tell me that they found me in these magazines. I have tried numerous ways to advertise my business but none of them have been as successful as advertising in the Worth and Aire Valley magazines. Sensible advertising costs and local content make these magazines a focal point in the local community.

Chris (Bristles Chimney Sweep Service)

I have advertised with the Aire Valley Mag now for a number of years to which I have had a fantastic response, I feel that the magazine is an honest publication that local people have learnt to know and trust. I know from the feed back that I have received from my customers that this little book is not only an interesting read but also provides a solid base for local business to promote their services. I can only thank Joanne and the team for consistently providing a quality publication that is well presented, has great distribution and is favoured above other such magazines that we receive through our letter boxes. May all your great work continue!
