This November edition is crammed with possibilities for your time and attention. There is a fair bit of ramping up for the holidays and excitement is in the air. Enjoy the preparations, take advantage of what is on offer, join in community gatherings, but mainly, go at your own pace. They say, "little things can bring joy," and it is true! Call in on a friend for a cuppa and a natter. Plant some bulbs in your garden. Get cosy in front of the fire with a good book. Try a new recipe. Listen to your favourite podcast or radio station. If you are feeling overwhelmed there is nothing more grounding than spending time in nature. Fresh air, movement, and daylight will do the trick to reset your orientation. Have a super November!

Exciting News from Haworth Village Hall Trustees

Dear Community,

The Trustees of Haworth Village Hall are thrilled to share some fantastic updates with you. We're making great strides in our journey to transform our community village hall into something extraordinary and exemplary in the region.

After rigorous negotiations with Bradford Council, we've secured a lease that guarantees this space remains a community hub for years to come. This means our hall will be available for everything from weekly community clubs and classes to unforgettable concerts, seasonal parties and one-off events like weddings and special occasions; a place for both leisure and STEaM Learning (Science, Technology, Engineering, Arts, Maths)...singing, dancing, moving, celebrating, playing, experimenting, researching, socialising and gathering.

We have detailed working plans for our much-needed upgrade and extension, and they've been given the green light by Bradford Council Planning Department. Our gratitude goes out to Roost Architects in Ilkley, whose expertise has been invaluable in realising our vision.

We couldn't have taken these steps without the support of the Keighley Towns Fund, which has helped us raise the initial capital for our extension.

In collaboration with Space to Inspire, one of our permanent hall users, we're hosting an **Open Day on the 18th of November from 10am to 3pm.** We'll be showcasing our ambitious plans for the future of Haworth Village Hall. It's

a day for all, whether you're a long-time resident or a newbie to the community, you are most welcome. Expect a wide array of activities that will captivate both young and old. Confirmed participants for the day include Space to Inspire, the Scouts, the Guides, Roost Architects, and the Trustees of Haworth Village Hall.

Now, here's where you come in. We're on the lookout for enthusiastic volunteers to join our team and help us maintain this forward momentum. If you have experience in construction project management, bid writing, web technology, administration or general fundraising, these skills could be put to good use. We're bursting with ideas, but what we need most is the support of dedicated volunteers to turn these dreams into reality. We need you!

This is an exciting time for our community, and your involvement can make all the difference. Together, we can create a village hall that we can be proud of; a facility that benefits residents and visitors alike. Join us on November 18th, and let's shape the future of our beloved Haworth Village Hall together.

With warm regards,

The Haworth Village Hall Trustees

Hake with potatoes, tomatoes, chickpeas, garlic and onion.

Method

Sprinkle your fish steaks with sea salt and set aside. Warm a few good glugs of olive oil in a large, over a low heat in a heavy flameproof casserole pot, tip in your onion and garlic and soften for ten minutes or so, adding the sweet paprika towards the end of this time if using. Now chuck in your tomatoes, increase the heat and stir to soften and mash the tomatoes against the sides with a wooden spoon for a couple of minutes. Now add your chickpeas, stock and potatoes. Bring to a simmer, reduce the heat and cook for 20 minutes or until your potatoes are tender.

Preheat your oven, 200C (180C if it's a fan oven).

Take a large frying pan and heat another good couple of glugs of olive oil over a medium heat. Wipe your fish dry before adding to the frying pan and cooking for a minute or two on each side until seared a nice golden colour, do this in two batches if necessary to avoid overcrowding your pan.

Once your potatoes are tender, check your tomato sauce for seasoning, adding more sea salt and freshly ground black pepper if you think it's needed. Place your fish on top of the tomato, potato and chickpea mixture and put your casserole in the oven to bake for approximately 10 minutes, though this does depend on how thick your fish is. When your fish is cooked, remove from the oven, chuck your freshly chopped parsley

over it and serve. ~ Martin Lingard

(PS I forgot to photograph it with the parsley!)

This simple dish can be served using cod or haddock, but I prefer it with hake steaks. For a fish dish it is quite hearty and warming, perfect for these autumnal evenings.

Ingredients (serves 4)

4 hake steaks

Sea salt

Olive oil

8 fat garlic cloves, skinned and finely sliced

1 Spanish onion, peeled, halved and finely

1 teaspoon of smoked sweet paprika

1 x 400g tin of plum tomatoes

1 x 400g tin of chickpeas, drained

400ml chicken stock

1 kg main crop potatoes, peeled and roughly sliced

A handful of chopped fresh parsley

Want more from your retirement years?

Helping you choose the right equity release plan, leaving you to enjoy retirement allowing you to release tax free cash...

- without selling your home (lifetime mortgages only)
- remains your home for life and never leave a debt for your family
- still possible to move home
- repay all or part of a lifetime mortgage at any time but early redemption penalties may apply

Think what equity release could do for you!

Many retirees find themselves equity rich, but cash poor. Currently with the interest amount fixed at very low rates for life, now could be the best time to release the equity locked up inside your home; either as a lump sum or in small drawdown amounts, as and when you require. Unlock tax free cash from your home for...

- Home improvements
- Gift to family members
- Medical needs
- Repay loans/credit cards
- Holiday of a lifetime
- Clear outstanding debt

This is a lifetime mortgage. To understand the features and risks, please ask for a personalised illustration. Check that this mortgage will meet your needs if you want to move or sell your home or you want your family to inherit it. If you are in any doubt, seek independent advice.

**Embracing the Holiday Spirit:
Oakworth Village Shines Bright**

Oakworth's Christmas lights are once again illuminating the village, thanks to the unwavering dedication of the Oakworth Christmas Lights Group. Just three years ago, the absence of festive lights cast a shadow over the holiday season, prompting the community to take action. Under the leadership of Mags Dearden, the group embarked on a mission to bring the magic of Christmas to the village. The group secured grants, rallied local support,

and organized fundraising events, including a Black and White Ball and a Gala stall. Their endeavors have been generously supported by Keighley Town Council, Bradford Council, Oakworth Cricket Club, the Social Club, Pure Lettings, and numerous other community members.

All funds raised are directed towards the maintenance and expansion of the Christmas lights display. The centerpiece of these efforts is the highly anticipated annual lights switch-on event, set for **December 2, at Holden Park**. This year, the honor of illuminating the lights will be bestowed upon Oakworth's own Champion Shepherdess, Carol Melling.

To ensure the longevity of this cherished tradition, the community invites contributions from those who share their vision. Support can be extended through www.paypal.me/makingoakworthgreat.

Say you saw it in the Worth Valley Mag!

The Railway is just drawing breath at the end of a very busy season, rounded off by the annual Beer and Music Festival, which was a sell-out event on Saturday. I'd like to say that we get to take a break now, but we now turn our attention to readying for you-know-what at the end of November. We've been asked about tickets for our Elf Explorer services since early January, and they've now been on sale for several weeks and we already have a number of dates with full trains, so please head to the website and book soon if you plan to join us for a special Christmas journey.

Aside from events, work to maintain the Railway continues. It is an expensive and time-consuming process, with our larger projects taking years of planning. One such is the replacement of a bridge vital to the Railway's operation because without it our loco fleet would be trapped in the yard at Haworth, and the main line would be severed between there and Oxenhope. It's a project that is projected to cost nearly £1.5m and we are very pleased to report that we have been successful in our application to the government's 'Community Ownership Fund', and have been awarded a £1m grant to help with the immense cost of the project. We are very grateful, not least because it means that we continue to invest in locomotive overhauls, with each of these now running into several hundreds of thousands of pounds, as well as the many other infrastructure projects that we had put on hold pending the completion of the bridge replacement.

There are other developments across the Railway, most noticeably at Keighley, where work to refurbish the inside of the water tower building is underway, into which we hope to welcome passengers next year, opening a space that has hitherto been closed to visitors. We are grateful for funding from the Railway Heritage Trust and Keighley Town Deal to support the development of the water tower building. Developments continue elsewhere too, as we finalise plans for improvements to the volunteer accommodation and tour groups facilities at Haworth, and - again - this work is partly funded by a contribution from the Town Deal. If that wasn't enough, we are preparing ourselves for a busy programme of events for 2024 and continuing to restore and maintain our fleet of historic carriages and locomotives.'

I do hope that we can welcome you on board soon because you have the benefit of a great historic attraction nearly on your doorstep. Don't forget to make use of your Local Residents' Railcard if you live in BD20/21/22, full details of which, including conditions and how to apply, are on the website.

As ever, we are always on the lookout for more volunteers to join our team of over 750, so please do check the website for opportunities, as well as information on our services and events.

Denture Problems Look no further...

Who are we?

**Our Keighley
Denture Expert is
Matthew Varley
(Dip CDT RCS)**

Matthew Varley is the partner and Managing Director of My Denture

Clinics, here he works as a Clinical Dental Technician (Dip CDT RCS).

Matt was born and raised in Pudsey, where he met his wife Angela Varley at school. They have 2 sons; Ray and Austin, he hopes one day they will follow him into the dental profession and share in his passion for dentistry.

Within his 23 years of experience, Matt has changed the lives and smiles of many, some of which are during one day implant immediate loading cases, and same day smiles, which he specialises in. The regular accolades received from clients and patients alike are testament to his passion for his work. Matt has a keen eye for detail and endeavours to provide the best care possible. Matthew completed his dental technology qualification at Leeds Dental institute, he finished first in his class achieving distinctions throughout and was awarded overall best student and the acclaimed technical achievement award.

Matthew Varley started his journey as a Registered Dental Technician (RDT), however after 23 years experience working as a RDT in highly acclaimed laboratories, Matt made the decision in 2018 to set up his own business alongside fellow business partner Joseph O'Reilly.

Matt also returned to university to further his dental knowledge and become a Clinical Dental Technician, receiving the prestigious royal college of surgeons (Dip CDT RCS).

How can we help you?

Technology has moved on massively over the last few years as far as dentures are concerned. The fact is, **you don't have to suffer badly designed or ill fitting dentures anymore.**

However, replacing your teeth is more than trusting someone with your smile. Your appearance and the way people perceive you is also at stake.

Matt creates dentures which can offer the dual effect of restoring your smile and correcting the proportions of your face.

He can add volume to your lower face and upper lip region to achieve a more natural, youthful look. Everyone is different, so your dentures are influenced by your age, personality and gender to ensure they look perfectly natural. Matt will discuss your individual needs and the best choices available before providing you with the information you require to determine what is right for you.

The smallest alteration can make the biggest change and Matt is committed to providing the highest level of care, quality materials and the latest digital technology to achieve the best results for you.

Matt's ambition is also his craft, creating lifelike smiles through dentures and implant supported prosthesis.

Everybody has the right to smile!

*Would you like to be more confident?
Do you suffer from denture discomfort?
Loose or ill-fitting dentures?
Afraid to smile?*

With our clinical denture expert Matthew Varley, who has restored thousands of smiles - you're sure to feel more confident and be you again.

From Frustration to Clarity

One of our lovely transformation cases. Patient LS struggled for years. Aesthetics were compromised along with facial support looking very strained. With our Diamond range of dentures, aesthetics were restored with full facial support in the correct position.

*"I have finally got my confidence back,
I never imagined I could smile like this.
Thank you My Denture Clinic"*

TeethXpress in a day

Eat and smile again with confidence

Millions of people are missing one or multiple teeth, requiring the use of removable dentures or bridgework. Many people struggle with loose fitting teeth. If you have this problem you already know the embarrassment of eating and smiling in public. TeethXpress can restore the ability to eat your favourite foods and to smile again!

Festive Fun

In Bradford

The run-up to Christmas is packed with events and experiences in the Bradford district. To help you make the most of every moment, here are some of the highlights coming up this festive season.

First on lots of people's list is a visit to Santa and you'll find him popping up at many places across the district and booking your visit in advance is advised. Look out for him aboard the Elf Explorer on the Keighley and Worth Valley Railway, a brilliant Christmas adventure with Father Christmas and his helpers, while at Shipley Glen Tramway the popular Santa Specials will be running on December weekends. In Thornton, Santa will be visiting the **Christmas Tree Festival (25 November - 2 December)**, at St James' Church, where you'll also find a wonderful selection of decorated trees creating a magical display. Santa will be in attendance

at the Victorian **Christmas Market at the Bradford Industrial Museum (25-26 November)**, along with a variety of stalls, roasted chestnuts, brass band and even an appearance from Scrooge, it will be a truly traditional way to start the Christmas season. For something completely different, pull on your trainers and sign up for the **Haworth Santa Fun Run (3 December)** for a unique race around the village.

Throughout November and into December festive lights will be switched on, with events across the Bradford district. **The Festive Launch at The Broadway, Bradford (11 November)** will be a full day of festivities including music, guest appearances and competitions. **On 25 November**, Shipley will be enjoying a day of free, family entertainment in the town before the lights are switched on, while in Ilkley there will be live music and entertainment on The Grove. In Keighley there will be live music and a performance by **Gareth Gates before he switches on the town's lights on 26 November**. The following week will see the light up weekend in Haworth on **2-3 December**; **Bingley will host an event with outdoor market**, Santa's grotto, and DJ for the switch on (2 December), and in Baildon there will be live music and festive food and drink at **various venues as they switch on the lights on 3 December**.

KWVR

Create magical Christmas memories at events with family and friends. In Bradford, a spectacular **Ice Carnival will take over the city, 18-19 November** with sparkling ice sculptures, street performers and live music. **From 1 December, Saltaire Living Calendar** will once again return to the UNESCO World Heritage Site, with new windows revealed daily to create a wonderful, illuminated trail around the village (until 1 January 2024). In Haworth, the historic village will host events every weekend in the run up to Christmas. The much-loved **Torchlight Weekend will light up the Main Street 9-10 December, Christmas Music Weekend 16-17 December and the delightful Nativity Weekend 23 -24 December**. These wonderful events provide the ideal opportunity to explore the atmospheric village, be charmed by the beautiful window displays and find the perfect Christmas gifts.

Christmas shopping in the Bradford district is a shopper's delight, choose from pop-up events to high street favourites. Craft markets showcasing the very best of local artists and makers are often found in quirky and interesting locations. Look out for the weekend Artisan market in Haworth Park, the **Christmas Makers' Fair at Ilkley Manor House (2-3 December)** and the **Christmas Market at East Riddlesden Hall, Keighley (2-3 December)**. Support

your local high street, check for late night shopping events and festive offers. **Haworth village is open for late night shopping on 7 and 21 December**. While in Ilkley, the popular Real **Food Market will have an extra helping on 3 and 17 December**, for you to stock up on the finest local produce.

Make a date in your diary for festive experiences and activities. Get creative and make your own wreath, there are events around the district, including in the **lovely surroundings of East Riddlesden Hall (25 Nov & 9 Dec)**, **Brontë Parsonage Museum (9 Dec)** and **Cartwright Hall (2 Dec)**.

Nigel Hillier

Alternatively, why not try your hand at printing your own cards or wrapping paper, with workshops at Cobbles and Clay in Haworth and People Powered Press in Saltaire. At the end of the day settle down to a festive concert or show from choirs to brass bands, crooners to comedians - there's plenty to choose from and for the ultimate Christmas treat, book your seats for the panto, and this year it's the turn of Cinderella, oh yes, it is! to bring audiences together at the Bradford Alhambra for an unmissable feel-good show.

 Through movement, breathing, and postures we can work together to restore your wellbeing in a gentle and safe place.

Yoga Therapy in Haworth.

My yoga has changed my life. I'd buried some sadness into my body, a blockage around my heart, which caused restrictions in my throat and voice. Once cleared I really found my true voice, inner strength and confidence and I blossomed. This transformation happened to me at the age of 50 years, so it is never too late to start to change your life.

Yoga therapy is starting in Haworth, so do come along and see me, Philly, your own local yoga therapist.

So, what is yoga therapy? If you take the word yoga away from 'yoga teacher' and 'yoga therapist' you can

understand the difference. In therapy I hold a safe space and you bring the content, the physical, mental, and emotional issues you'd like to explore and get to the bottom of their cause. We would do this together using breath, postures, movement, meditation, and relaxation techniques. You do not need to have experience in yoga. The session is geared for you. Come and explore the journey with me and feel the transformation and change.
Cost: Initial consultation and 75 mins session £55. Suggested 4 or 5 60 mins sessions £50 per session.
If you are interested in a 20 mins taster session to see how Yoga Therapy works, please get in touch.

We are **The Mortgage**

Maestro, your trusted local family-run financial services firm located in Cross Roads, Keighley. With over 50 years of combined expertise, our team of mortgage and protection specialists is dedicated to providing you with tailored and individualized advice and products to meet your financial needs.

It's important to know that not all mortgage brokers are created equal. While some have access to only a handful of mortgage deals, we collaborate with an extensive network of lenders, granting us access to thousands of mortgage products. What sets us apart is our status as an independent mortgage broker, allowing us to recommend mortgages from across the market. In contrast, restricted brokers can only propose mortgages from specific providers, potentially limiting your options.

Our commitment is to you, not the lenders. We're here to simplify your home buying journey by sourcing the most suitable mortgage and liaising

conveyancers on your behalf. But our services don't stop at mortgages. We'll also ensure you have the right insurance and protection tailored to your specific requirements, safeguarding your family's financial stability in times of need. What's more, as our client, you can trust that we'll provide ongoing reviews to ensure you always have the best deal.

We offer a complimentary initial consultation, so don't delay. Book your appointment by scanning the QR code or give us a call, text, or email and we look forward to helping you secure the most appropriate mortgage and protection products for your needs.

In the heart of Oakworth, one of our delivery team members for the community magazine is forging her path in the world of music. Meet Alyssa, a young woman whose passion for the craft of music has set her on an extraordinary course. Alyssa's early involvement in the Oakworth Methodist Pantomime team and KYDZ youth drama groups, developed a love for performing and singing before live audiences.

Alyssa's commitment to her art is unwavering, as seen in her impressive skillset. She nurtured her singing and guitar-playing abilities through a mix of formal lessons and self-guided practice. Equipped with a basic home studio setup, Alyssa has ventured into composing her own music. Her musical influences are as diverse as her talent, ranging from iconic acts like Queen and Freddie Mercury to contemporary sensations like Harry Styles and Beabadoobee.

A pivotal moment in Alyssa's journey was the creation and release of her debut single, "A Girl From San Francisco." Collaborating with Jamie, a local studio owner in Haworth, they meticulously crafted the track. Their hard work garnered attention, leading to an interview and the first radio play of her song on Drystone Radio—a milestone for the young artist.

Alyssa's aspirations include continued music promotion, active involvement in open mic sessions, and membership in the Salts Hub music group. Her future plans encompass pursuing a Music and Production education at 6th form, with an eye on further studies at the university level.

While Alyssa shines as a solo performer, she's also eager to connect with fellow musicians and potentially form a band.

You can now enjoy "A Girl From San Francisco" by Alyssa Yare on all major music streaming platforms.

Spook-tacular results in our Pumpkin Design Competition!

Thank you to the creative souls and ghouls in our wonderful Worth and Aire Valley community who took part in the competition. Take a look at these fabulous designs that showcase a wide variety of talent, from 3 year olds to (undisclosed and gracefully aging) adults. We were pleased to have everyone participate. Lovely work!

Whilst we originally were going to choose one winner, it became clear that we had too many deserving entries...SO we have chosen to spotlight five of them!

Congratulations to The Winners:

(From left clockwise:) Elizabeth Wear's spooky pumpkin drawing, Charlotte Eeles' 3 yr old son with a googly-eyed bat pumpkin, Emily Griggs' Frankenstein themed pumpkin, and brother Ralph with Rainbow pumpkin, and Sarah Granby's folksy pumpkin with witch hat and spider. All will receive a gift voucher from Mrs. Beighton's Sweet Shop in Haworth.

Behind the scenes at the Museum

From the collection

As the frost settles in for the winter, we highlight an item from the collection that served a useful practical purpose for Patrick Brontë in the harsher months, and the friend who gave it to him.

In 1854 Patrick Brontë was gifted a pair of crampons by his friend the Reverend William Cartman, who was prompted to send the crampons during a particularly harsh winter. Mr. William Cartman was the former headmaster at Ermysted's Grammar School in Skipton, and a longstanding friend of the Brontë family, dating from the time when Patrick was perpetual curate at Haworth and William had become curate at Bingley. He frequently attended dinners at Haworth Parsonage and would occasionally be invited to preach at

Haworth and Stanbury. This pair of heel spikes, or 'ice apparatus' as Patrick referred to them, would have been buckled under formal shoes to prevent slipping on the icy cobbles –

a risk local residents will be all too familiar with! This item can be seen on display in the Museum's 'The Brontës and the Wild' exhibition, which runs until 1st January 2024.

Christmas at the Museum

The festive period is just around the corner, and the Museum team are busy preparing to 'deck the halls' for another Christmas by Candlelight at Haworth Parsonage. Here's what we've got coming up:

Thursday Talk: Music on Christmas Morning (Thurs 7 Dec, 5pm. FREE, no booking required.) This talk will examine the impact of Anne's time at Thorp Green on her development as an artist and writer, with focus on her joyful poem 'Music on Christmas Morning'.

Christmas by Candlelight: Late Night Opening (Thurs 7 Dec, 5pm-7pm. FREE to local residents.) The Museum will remain open after hours, showcasing the quiet magic of Haworth Parsonage dressed for the season by candlelight. The Museum shop will also remain open for a spot of shopping! Tickets are not required to access the shop.

Christmas by Candlelight: Brontë Treasures (Fri 8 Dec, 6.30pm. £50 per person.) Join curator Sarah Laycock for an evening exploring some of the Museum's most precious treasures. Includes a glass of sherry and the opportunity to enjoy Haworth Parsonage dressed for the Christmas season.

Festive Ornament Embroidery Workshop (Sat 9 Dec, 10am. £25 per person.) Embroidery experts Davinder and Caroline Madaher will show you how to embroider and applique your very own Brontë Bauble.

Wild Wreath Making Workshop (Sat 9 Dec, 11am – 1pm or 2pm – 4pm. £35 per person.) Join artist Rachel Lee to make your own unique and sustainable Christmas Wreath. All materials and tools are provided. Tickets include mince pies and mulled wine.

For full details for all events and to book, head to bronte.org.uk/whats_on

Local to the Museum? Residents living in BD20, BD21 or BD22 are eligible for a Local Resident admission rate of £7.50 with proof of address. Tickets are valid for 12 months after issue, meaning you can continue to return and enjoy the Museum as exhibits change throughout the year.

Christmas by Candlelight

Experience the quiet magic of Haworth Parsonage dressed for the festive season, with late events on 7th and 8th December

YORKSHIRE
LOFT LADDERS

Yorkshire Loft Ladders, Quality You Can Trust

These days most homeowners suffer from a lack of storage space. So many precious items that need to be kept - but where to store it all? That's where Yorkshire Loft Ladders come in. The company, based locally, offers homeowners the opportunity to maximise their storage space with a loft ladder, 50 sq ft of boarding and a light all fully fitted in less than a day from just £277 + VAT. But it's not just the affordability of the package the company offers that makes Yorkshire Loft Ladders stand out as manager Mark Hodson explains: 'Our watchwords are Quality, Integrity and Value. Quality in the materials that we use for all our installations and the fact that all our loft packages are fitted by time served tradesman so our customers are assured of the best job. Integrity in that we will turn up at the time we say and make sure the house is spotless when we leave, and Value in that we offer our services at a price people can afford. Our business relies on referrals and we get a huge

amount of our calls from people who have been referred to us by our existing customers - that simply wouldn't happen if we didn't adhere to our overriding principles.

At the end of the day the old adage that happy customers lead to more happy customers is true and we work hard to make that happen for every installation we carry out!

So, if you want to make use of your loft space, however big or small, call Warren on 0800 612 8359 and he'll be happy to pop round and give you a no obligation quote so you too can make use of your loft.
