The heather has been especially beautiful this year and a fitting colourful flourish to end a summer punctuated by the stunning Worth Valley landscape. But don't rush in to autumn too quickly...be sure to savour every last drop of the sunshine. I'm told there will be a glorious Indian summer this month. Whatever the weather decides to do, make the most of September. Leeds City College Keighley campus has a whole raft of courses and offerings, see page 16/17 for more details; there is even a part time GCSE course in Astronomy.

The Black Bull in Haworth is under new management and very keen to make a contribution to the community by supporting the local music scene. (Page 5)

If you are feeling fit and want to support a worthy cause, Diane, our distribution manager, is organising Wuthering Hike, a sponsored 10 mile walk to benefit Embrace, the charity that helps child victims of crime (see pages 14/15)

As ever, lots to see and do. Have a great month! Liz

Historic wedding for Saint Gabriel's Church.

Saturday, August 30th; it was a bright and blustery day for Stanbury's first wedding held at Saint Gabriel's Church. Local residents and interested passers-by gathered on the village Main Street to view the event that was history in the making. Saint Gabriel's church, initially created as a chapel of ease for Haworth Parish Church, was built in 1848. It has been in continuous use since then and remains the heart of the community hosting village events and is the central place for Christian worship. Last year Stanbury parishioners and local residents made their desire known to use the church for weddings. "The building is lovely and the perfect location for an intimate gathering," said former parish councillor and Stanbury resident, Lesley O'Brien. "Now that Saint Gabriel's is licenced we are delighted to see it used for weddings."

Local Haworth Parish residents Simon Rushworth and Julie Laycock are the first to be wed at Saint Gabriel's, Stanbury.

Congratulations to Simon Rushworth and Julie Laycock for being the first to walk down the isle at Saint Gabriel's and into our local history books.

Heather
 You talk of pale primroses,
 Of frail and fragrant posies,
 The cowslip and the cuckoo-flower
 that scent the spring-time lea.
 But give to me the heather,
 The honey-scented heather,
 The glowing gipsy heather--
 That is the flower for me!
 You love the garden alleys,
 Smooth-shaven lawns and valleys,
 The cornfield and the shady lane, and
 fisher-sails at sea.
 But give to me the moorland,
 The noble purple moorland,
 The free, far-stretching moorland--
 That is the land for me!

Keighley & Worth Valley Railway

As we finish packing for our family summer holiday, it pains me to say this, but please let me be the first to wish you a "Merry Christmas."

Whilst our volunteers have been preparing for this year's visit by Santa for many months already (he and his Pixies need to make sure that the children's gifts are delivered in plenty of time to avoid disappointment!), we had not appreciated that our passengers are planning just as far in advance. Following a number of requests, we have this year opened our on-line booking for Santa and have already received a high level of festive bookings. If you want to make sure you can travel on the Santa Special train of your choice, please visit the website and book early to avoid disappointment. Postal and telephone bookings will open later in September as usual.

The Railway was the first to make the link between the magic of Santa and the magic of steam trains, inventing the Santa Specials over 40 years ago, which so many other Railways now emulate (not quite as well, as you would expect me to say!). We

continue to try to be as inventive nowadays to deliver interesting and engaging special events. The now well-established Beer and Music real ale festival runs October 23-26th and the steam spectacular October 10-12th, but this year we are introducing another event: a Halloween Special on 31st October, where we plan to show passengers some of the scarier secrets of the Railway's history. If fright night is your thing, you can book your ticket via the website.

Events like these do not just run themselves and the amount of work that goes on behind the scenes is fantastic, especially when delivered by fellow volunteers, so we are already well-stretched, but we appreciate that we have to keep what we offer up to date with passengers' expectations, so I would welcome your ideas and suggestions for us to consider for future events.

As ever, if you any comments, or are considering joining the volunteer team, please do get in touch: matthew.stroh@kwvr.co.uk and you can keep up to date with railway news via the website www.kwvr.co.uk

KEELHAM FARM SHOP

KICK-START THE NEW SCHOOL TERM WITH KEELHAM'S HEALTHY NO BAKE GRANOLA BARS

As term time begins and packed lunches are back on the menu, our chef, Jason Wardill, has come up with a fantastic treat which is both tasty and nutritious for kids. These easy to make no bake, no fuss Granola bars are a perfect snack for their back to school lunch box and feature a fuelling mix of nuts, oats, brown rice and dried fruit. The bars are low in fat and processed sugar and full of slow-releasing carbohydrates which are great for keeping energy levels up throughout their school day.

If you like this recipe - we have lots of fantastic recipes to pick up for free in the farm shop to give you further inspiration for a whole range of fabulous, affordable treats using our great seasonal produce.

METHOD

- 1 Combine cereal, oats, nuts, seeds, coconut and fruit in a large mixing bowl.
 - 2 Heat the peanut butter, honey and vanilla in a small sauce pan until warm. Do not boil.
 - 3 Pour the peanut butter mixture over the cereal mixture. Mix well while honey is still warm. I use my hands as they are the best tool for this mixing job!
 - 4 Pour mixture into a 9x13 pan.
 - 5 Pack the mixture down firmly with moist fingers or the bottom of another 9x13 pan sprayed with cooking spray.
 - 6 The chocolate lover should sprinkle on the mini chocolate chips at this point and press them in firmly.
 - 7 Cover with plastic wrap, and cool completely. Once cool cut into 24 bars.
- These Granola bars will sit in the fridge for up to 2 weeks and they still taste great!

Ingredients - Makes 24

- 2 cups puffed brown rice cereal (unsweetened)
- 2 cups rolled oats
- 1/4 cup roasted almonds, chopped
- 1/4 cup roasted sunflower seeds
- 1/2 cup shredded coconut
- 1/2 cup dried fruit, chopped
- 1/2 cup peanut butter
- 1/2 cup honey
- 1 teaspoon vanilla
- 1 cup mini chocolate chip (optional)

Tour d'art II, the giant colourful mural on Haworth Main Street celebrating local life and the Worth Valley, seeks a new home. photo: @jackharrybill

Did you get a chance to view the large painting that was displayed on Haworth Main Street to celebrate the Worth Valley and welcome the Tour de France?

A mural depicting the many facets of local life and the attractions of the valley was painted by Haworth artist, Vic Buta. Vic worked in association with the community group 'Worth The Tour'. The project was devised by Oakworth resident Russell Brown and the giant painting is called Tour d'art II. Following the success of an initial pilot project (Tour d'art) where the local residential home 'Rough Nook' was featured in a 1940's travel poster style canvas, the second painting aimed to magnify the scale and create an even more ambitious piece.

"The idea was to capture the enormity of the event. We wanted it to be big and also to encompass the enthusiasm and joy of the Tour d'France in a creative way that would have legacy value. The work will

remind us of the great event that caught the attention of the world. We hope to find a suitable venue to display the mural where it can continue to inspire the community and visitors alike," said Russell Brown. Postcards have been printed with the hope of covering some of the costs associated with creating and displaying the mural.(see page 30).

"We are still out of pocket as there was no funding for this project. But the work has been so well received; we know the community is behind us. The tricky thing is finding an interior space that is open to the public and large enough to display Tour d'art II. We have some options. A local community minded business has approached us and we will see how that develops."

Any ideas? Where would you like to see Tour d'art in the community? Contact the Worth Valley Mag with your ideas: mail@worthvalleymag.co.uk

Leeds City College Star Centre

A part-time Astronomy GCSE course, aimed at enthusiasts and amateur stargazers, is scheduled to relaunch this month in Keighley after some stellar results over the last two years.

16 year-old Cassie Barlow-Hall from Silsden was among the latest group of learners of all ages studying the GCSE part time at The STAR Centre at Keighley Campus, Leeds City College. She was over the moon after getting an A* grade in August, which she hopes will help her fulfil her ambition of studying astrophysics at university.

The STAR Centre is a specialist science hub that uses space as a theme to encourage learners into undertaking STEM subjects – Science, Technology, Engineering and Maths. The GCSE course runs half-day a week for a year. Learning is in a small group size and

covers topics ranging from our solar system, to the history of astrophysics, the life cycle of stars and our place in the universe.

For Cassie, who heard about the course from a friend, it was studying the big bang theory and how the universe was formed that really captured her imagination. It is a subject she is keen to pursue further through maths and sciences A Levels and eventually at university. "The Astronomy GCSE was as interesting as I had hoped – it's a subject that fascinates me. The STAR Centre provided exciting surroundings in which to study and it was great to have such an enthusiastic tutor who knew the subject so well."

The course welcomes astronomy enthusiasts of all ages and with different levels of experience who are keen to explore their interest on a deeper level.

Applications are open for the next part-time group for the Astronomy GCSE which will start in September and run for a half-day every Friday. For further details please visit www.starcentre.org, email info@starcentre.org or phone 01535 685167.

Wuthering Hike

Next month Diane, our Worth Valley Publishing distribution manager, is planning a 10 mile sponsored walk in the Worth Valley. The walk, now in it's 6th year, formerly known as Waggoners' Walk, supports the charity 'Embrace: Child Victims of Crime'.

A retired police officer, Diane has worked with children and families whose lives have been devastated by the criminal acts of others. Over the years while serving in active duty Diane requested support from Embrace when children had been left motherless through crime.

Jack was only 8 years old when his mother was unlawfully killed. After working on the case Diane referred Jack and his grandmother, Margaret to the charity.

Embrace aims to create new positive experiences for children and young people and to put some joy back in their lives. Jack and Margaret were treated to a special trip to Disneyland in Florida along with others who had suffered in similar ways. Afterwards, Margaret said, "We'd all gone through it a bit, what with the court case and what have you. The case finishing is like an anti-climax and then your life starts again. In Florida we went to Seaworld to see the dolphins and the whales and Jack wanted to sit at the front because the children all knew they would get wet through. It was not until we met up afterwards that we realised we'd both been crying our eyes out. When it was all done Jack had been crying all the time and I had been crying all the time. It was so emotional; the music and the whales. I felt better afterwards as though there had been a release. Jack told me he'd missed his mummy. Maybe the show had been a trigger."

To advertise call us on 01535 642227

Jack declared the whole trip 'Great!' and Margaret continued, 'He still talks about it and looks at the photographs. It was happy times. He thought of his mummy while he was there so it helped him in that way to talk about his mummy. I don't think he will ever forget it.'

Asked what the trip meant to her, Margaret said, 'It can make such a big difference to a family that has been through trauma. When you have a special time you keep going back in your mind to it and it gives you a lift. I never knew the police could be so kind because you do not hear about what happens behind the scenes. I've had my eyes opened. With what you go through you think they've got their conviction, everything is sorted and then you are forgotten. Well you are not forgotten. It is just good to know that they help the survivors.'

Seeing first hand the benefit of the charity's work, Diane made a personal

pledge to raise funds for Embrace so that there would always be money available for other children. So far, with the assistance of Worth Valley residents Mel and Rob from Oxenhope, and other friends, neighbours and police colleagues, both serving and retired, Diane has raised over £13,000.

This years walk has been aptly re-named the 'Wuthering Hike.' **It will start (and finish) at The Wuthering Heights Pub in Stanbury at 10:30am on Sunday the 12th of October, 2014.**

If you would like to take part in the sponsored walk please contact Diane on 07970 720 068 or you can make a donation via www.embracevoc.org.uk and mention the 'Wuthering Hike'

* The walk covers high ground and rough terrain so you must be in good health and fit enough to complete the 10 miles.

* Good walking boots are essential, sticks if you like to use them and a raincoat if it looks like we'll need one.

* Bring refreshments for the walk, also your mobile phone. You'll be able to buy a sandwich and cup of tea before you start and a meal at the end. There are also free refreshments en route.

* A map of the route and detailed written directions will be provided on the day and the route itself will be marked.

* It will be a great day, with every penny raised going directly to the charity.

* There is no entry fee but the aim is to raise as much money as we can in sponsorship so please do your best.

* Sponsorship money can be handed in on the day or later on to Diane, either as cash or as a cheque made payable to Embrace Child Victims of Crime.

LIFE CHANGING OPPORTUNITIES AT KEIGHLEY CAMPUS THROUGHOUT THE YEAR.

NEW PART TIME COURSE OFFER FOR 2014!

Here at Keighley Campus we believe that learning shouldn't be limited just to the academic school year – that's why instead of our courses starting only from the beginning of September – we have courses running throughout the year!

We offer a wide range of part time courses for adults many of which begin from mid / late September, plus we also offer courses starting in October, November and early 2015.

Our part time courses are suitable for those of all ages and abilities and allow you not only to learn new skills, but also to meet new friends and enjoy new experiences!

For many of our adult learners, coming to College is a life changing experience. But, don't just take our word for it, take a look at our inspirational stories...

"When you're working in a job, you think your boats sailed. I always wanted to be a joiner but couldn't get into it when I left school as there were no jobs. I had to train as a butcher. I needed a change. I never knew I'd be able to do something like this. I'm not the same guy walking out who walked in here 3yr ago – I've learnt a lot and I'm more confident!"

K JUBB

"I always struggled at school and lost all confidence in everything I did. As an adult, I jumped from dead end job to dead end job and suffered from low self-esteem. I completed my Maths Levels 1 & 2, English Level 2, Business Admin Level 2, ITQ Levels 1 & 2 and Beauty Level 1. Attending College has given me so much confidence and a future to look forward to."

A CONWAY

So, what are you waiting for – why not try something new – seize the opportunity to achieve your goals, change your life and become another one of our success stories!

2014 Part Time Courses include: Accounting, Beauty Therapy, Childcare and Teaching Assistant, Computer Aided Design & Manufacturing, Computing, Construction, Electrical Installation, English & Maths, Fabrication & Welding, Fitness Instructing, Hairdressing. There are also a number of "Just for Fun" Community courses including Cake Decoration, Baking, Interior Design, Jewellery Making, Painting & Drawing, Criminology, Creative Writing, DIY for Women, Pilates, French, Spanish, Photography, Sign Language plus many more.

Keighley Campus & Leeds City College also offers an extensive range of full time courses and apprenticeships for young people, professional and management courses and Higher Education courses.
